

In a home fire,  
can your family  
safely escape in  
just 2 minutes?

  
**SOUND THE ALARM**  
Save a Life

**Home fires claim seven lives every day, but you can help change that.  
Join our national movement and pledge to keep your family safe  
by taking 2 simple steps:**

**Practice your  
2-minute drill.**

**Test your smoke  
alarms monthly.**

The American Red Cross will *Sound the Alarm* in communities by educating 100,000 people virtually nationwide about home fire safety. We'll teach households about the most common causes of home fires, how to create an escape plan, and how to stay safe during an earthquake or wildfire. Households that participate will be offered a free smoke alarm installation when it's safe to do so.
