Highly Capable Program

Centralia School District
provides services to students
who are designated as highly
capable learners.

21-22 School Year

Universal Screening

****New This Year****

Screening for 5th graders for
possible entry into the HiCap
program for the 21-22 school
year will begin in October
2021. *

Screening of all 2nd graders for
possible entry into the HiCap
program for 21-22 will begin
after 1/4/22. *

If a student is designated as a
highly capable learner they will
receive specialized instruction
and support to meet their
needs.

Any student, Kindergarten
through 12th grade, in the
Centralia School District who
would benefit from highly
capable services may be
nominated for program
consideration by a parent,
teacher, community member or
students themselves.

*If the student is currently in the
HiCap program, the screening will
not affect their preexisting
placement.
