December 16, 2021

Centralia School District Families & Staff,

We are sending this message for information purposes.

We have become aware of a nationwide TikTok challenge for Friday, December 17, 2021. The post appears to be part of a national trend and did not originate in our school district nor are we aware of any local challenges. We are taking the necessary precautions as student and staff safety is our priority. We have talked with the Centralia Police Department and will continue to work closely with them. They have also not received any local challenges.

If you or your child become aware of any potential challenge posted to social media or anywhere else, please notify a school staff member or trusted adult right away. If you are aware of a situation that could cause immediate harm, dial 911.

Thank you for your partnership as we work to ensure a safe, secure, and positive learning environment for our students.

Lisa Grant
Superintendent
