## Highly Capable Program

Centralia School District provides services to students who are designated as highly capable learners.

### Universal Screening

Screening for 2<sup>nd</sup> graders typically begins in the winter for the next school year. Due to the pandemic 2<sup>nd</sup> grade screening did not occur during the 19-20 school year. All 3<sup>rd</sup> graders will be screened between November 4, 2020 and November 24, 2020 for possible services starting on January 4, 2020.

If a student is designated as a highly capable learner they will receive specialized instruction and support to meet their needs.

Any student, Kindergarten through 12<sup>th</sup> grade, in the Centralia School District who would benefit from highly capable services may be nominated for program consideration by a parent, teacher, community member or students themselves.

Nomination form can be found by clicking [HERE](#).

### 21-22 School Year

Nominations for the 21-22 school year will begin on January 4, 2021.
