

Proclamation

Resolution #2016-15

Intent to Construct a STEM Center Facility at Centralia High School

WHEREAS, the Centralia School District Board of Directors has identified a special housing burden due to lack of sufficient space for science classrooms and labs to enable students to meet statutory graduation requirements at Centralia High School; and

WHEREAS, the Office of Superintendent of Public Instruction and Washington STEM have determined that the Centralia High School STEM classroom project is eligible for a STEM grant award at a required reduction of the original District's application budget; and

WHEREAS, the Office of Superintendent of Public Instruction requires certification by the District that the required OSPI reduction in grant funding will not affect the educational program as intended in the original application and that all excess costs above the STEM grant award and enhanced state funding assistance funding will be covered with local funding; and

WHEREAS, it has been determined that the Centralia High School STEM classroom project will be used for STEM instructional purposes for at least five (5) years after completion of the project; and

WHEREAS, the Office of Superintendent of Public Instruction requires that the District certifies that they have secured a \$100,000 private donation for the purposes of supporting the Centralia High School STEM classroom project and other STEM education at the District ; and

WHEREAS, the Office of Superintendent of Public Instruction requires the following documentation after completion of the project, or else the District may be required to forfeit and repay the grant, and also be ineligible for future grants:

1. Name of school facility
2. Number of science classrooms added, renovated or modernized
3. Gross square footage added, renovated or modernized
4. Total project budget amount (construction and soft costs)
5. Final construction contract amount
6. Site plan
7. Floor plan(s)
8. Area analysis
9. If applicable, high-performance scorecard and credit cost analysis (RCW 39.35D)
10. If applicable, high-performance ELCCA executive summary (RCW 39.35D)
11. If applicable, apprenticeship reporting documentation (RCW 39.04.320)
12. Signed school board resolution accepting final completion of construction.

THEREFORE, BE IT RESOLVED that the Centralia School District Board of Directors does hereby certify that the Centralia High School STEM classroom project will be completed for the purposes for which the STEM grant award is being provided, and that the required documentation will be submitted to the Office of Superintendent of Public Instruction before funds can initially be distributed, and that final deliverables will be required after school board acceptance of the completed project.

DATED THIS 20 day of July 2016.

BOARD OF DIRECTORS
